The following procedures must be adhered to
when making reservations:

- All reservations of five or more should be in writing (e-mail, FAX or letter).
- All reservations must have individual names attached to each room(s). The hotel needs all names of people staying in the room.
- If a group just gives one name for a room, they will be assigned to a king. If more than two keys are given to a room at check-in, the \$15.00 charge will apply.
- All group block reservations must have a valid credit card to hold the block. A check may be sent

later to cover the cost, but a valid credit card must be given to make and hold a reservation.

- If there are any changes in the blocks, it must be communicated in writing or e-mail and be confirmed with the reservations department by March 1, 2010. (Some circumstances may apply, but the hotel is trying to reduce confusion on changes at the last minute.)
- Only the hotel reservations department will be able to accept or change reservations.
- Cancellations will need to be in a written form of communication (e-mail, FAX or letter).
- Rooming list reservations will be charged first night's room and tax.
