In the last few years, SIPI has steadily increased our efforts and strengthened our commitment to *Student Success*. Programs across campus have renewed their efforts to retain and support our current students, along with developing new and innovative recruiting strategies that aim at attracting new students to join SIPI's culture of success.

In alignment with our recruitment efforts, SIPI is pleased to announce **The SIPI New Student Scholar Award**. This new scholarship is designed to attract and retain high achieving, first time SIPI students who are committed to their academic success.

The **SIPI New Student Scholar Award** will waive ALL student fees for full-time, residential, or commuter students, including meal plans.

2. Be a first time SIPI freshman or transfer student
3. Have a 3.0 high school or college transfer GPA
4. Be enrolled full-time at SIPI
5. The scholarship will automatically renew IF:
